The Honorable Robert W. Lazaro, Jr., Mayor
The Town of Purcellville
130 East Main Street
Purcellville, Virginia 20132

Dear Mayor Lazaro:

The Purcellville Vol. Fire Company extends its full support to you and the Town Council in its efforts to have the Southern Collector Road completed. The vast majority of the population in our response area resides southwest of the Purcellville Safety Center. The completion of this collector road will undoubtedly provide an easier access route to the south and west portion of Town. There will be no need to travel through as many traffic signals and residential neighborhoods to reach some of our more densely populated areas. The need for this particular road has existed for many years even before our relocation to our current facilities on Hirst road.

Sincerely,

Bob Dryden
Fire Chief
Purcellville Vol. Fire Co.
